

Since We're Too Busy, Let's Order O'Charley's!

MEMO:

We're seriously busy here. And with today being Administrative Professionals Day, I wouldn't let the team down by taking the long, leisurely lunch I so justly deserve.

So here's an excellent idea – let's order Party Platters from O'Charley's and celebrate this day with the whole team! Being the team player that I am, it should come as no surprise that I wouldn't want this day to just be about me. Plus, Party Platters could be just what the doctor ordered to boost productivity for the rest of the day :-)

I'm ready to place our order as soon as possible, and I'll even go pick it up – all I'll need are those magical 16-digits from the company credit card and we're in business!

April 21 will go down as one of the most delicious days in company history!
